Principal's Corner

This week has been a whirlwind of fun activities and excitement. It is so amazing to celebrate National Lutheran Schools Week and specifically Trinity!

The students got lots of energy out with an incredible bounce house and inflatable obstacle course.

On Wild animal Wednesday the students were able to touch and feel furs from 10 different animals. A bobcat, lynx, wolverine and skunk were just a few.

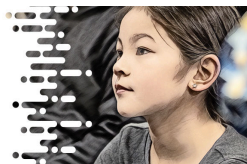

All of the students gathered together in the gym on Thursday to experience Wild Birds of Montana. It was fascinating to see different varieties of falcons, hawks and owls. The students were in awe of their size and beauty.

Throughout the week the students also participated in a corn hole tournament. Thank you to Aaron Losing for making our trophies.

On Sunday, we are looking forward to the 5th - 8th graders singing in church. The students made gifts that will be handed out to the congregation and we will celebrate with donuts between services.

This week we also launched our new Parentapps. I hope you have downloaded the app so you can get started using it. This will be an easy way for you to report both SALT hours and absences. You will also be able to access the newsletter as well as news from your classroom teacher. We will be able to quickly send notifications if there is a change in school or sports schedules.

Thank you to everyone who has already started using this app. It is just one way to make communication between the school and our families smoother.
