Daily Learning Log (DLL) Winners!

Each week in chapel all students who completed their DLL for all 5 days will be entered into a drawing. These same students will be entered into a drawing for a larger prize given at the end of the month. So, the more often the student completes their form, the greater their chances are of winning!

This week's winners are: Annora Phillips and Jolie Ondov.

Spiritwear Available

Follow this [LINK](#) to check out and purchase Trinity Spiritwear! The school does not receive a profit from this other than you or your child proudly wearing your Trinity gear during sporting events and out in the community! There are 4 stores in one: Volleyball, Basketball, Trinity Athletics and All School Spiritwear.

Running Club

Running Club is every Friday, from immediately after school until 4:30pm for 5-8th grade. No prior running experience or Cross Country commitment is required. Runners will need to have the proper gear: running shoes, athletic clothing, water bottle, etc. Like Pep Band, students do not have to commit to the entire school year; if they have sports or another activity for a portion of the year, they can take a break from Running Club and return when the season is over.

Pep Band

Pep Band is every Tuesday, from immediately after school until 4pm for 5-8th grade. Students do not have to commit to the entire school year; if they have sports or another activity for a portion of the year, they can take a break from pep band and return when the season is over.

New Sermon Series: Living Our Real Hope

Drawing inspiration in structure from N.T. Wright's book, [Simply Christian\(url\)](#). *Living our Real Hope explores moving belief to practice*—how the Christian life is lived out in real time. This series explores the essential rhythms of Christian discipleship and how God shapes us through. This week - worship. Worship is more than a weekly habit—it's where heaven meets earth and we're re-centered in God's story.

Dear Parents,

Welcome to another exciting year of Rotary Basketball! We provide the best outlet for area youth to experience the game of basketball. We have created an environment for all skill levels to flourish.

A few highlights of the program include:

- End of season tournaments for 5th & 6th graders
- Grade level basketball camps to strengthen and improve skills
- A basketball and jersey for each player to keep
- Scholarships available based on financial need

Kalispell Rotary Youth Basketball is made possible thanks to the generous support of local sponsors like Glacier Bank.

Rotary intends to continue its tradition as the foremost entry-level basketball program in the Flathead Valley. Due to the number of participants in the program, team placement of children is based on longstanding Rotary policies and will be adjusted only in extraordinary circumstances following the establishment of each team. Players will be expected to prioritize and attend all Rotary practices, games, and tournaments, or otherwise communicate circumstances to their respective coach(es). **Late registrations will be accepted only if space exists, and placement will be made to teams needing additional players.**
