Dear Trinity Families,

It is a privilege to partner with you as we supply a high quality Christian education to our students. We have been blessed with great families and wonderful students. You make our school a special place. Your cooperation and flexibility throughout this Covid-19 crisis is appreciated. We are thankful for our dedicated and faithful teachers who make a difference in the lives of our students. This is especially true this year.

This year we are implementing **Continuous Enrollment**. Continuous Enrollment means that once a student is enrolled, enrollment automatically renews each year until your student graduates from Trinity Lutheran School, or your family officially withdraws. Continuous enrollment saves you time, reduces paperwork and creates a more seamless process.

All students currently in kindergarten through 7th grade will automatically be enrolled into the next grade at Trinity through TADS. Continuous enrollment will not be used for pre-kindergarten. Pre-kindergarten students who wish to enroll in kindergarten will be given an enrollment packet. Families will need to contact Mrs. Heidi Hagemeyer in the Trinity school office (office@trinityed.org or 406-257-6716) by **Friday, February 19** if they are **not** enrolling their child at Trinity for the 2021-2022 school year.

The non-refundable Registration Fee will be posted on your TADS account as your March payment. This Registration Fee will be posted on the same date your tuition payment would be pulled. (Reminder, there is no tuition payment due in March). As a Continuous Enrollment student, you will receive the Early Bird special. Your Registration Fee will be reduced by \$100 for a discounted total of \$150 per student.

Tuition rates for the 2021-2022 school year are included in this mailing. Tuition agreements will be sent to you in May and will be due by June 1. Adjustments for scholarships and Trinity congregation membership discount will be noted on your tuition agreement. Scholarship applications are due by **April 25 (mytads.com)**.

The first tuition payment will be due in August of 2021 and will be collected through June 2022. Please contact us if you have questions about Continuous Enrollment.

It is our pleasure to continue to serve your family for the 2021-2022 school year.
