Principal's Corner

This past Sunday, Trinity church held a vision event. At this event, several big announcements were made.

- 1) New vision, mission and values statements were revealed.
- 2) Trinity Kalispell will be involved in a small group relational Bible study called Rooted.
- 3) In conjunction with the childcare, Trinity will be offering full-day Pre-K. (See details in a separate article)
- 4) Trinity will be offering a second 1st grade.

Mission Statement: Real Hope for Real People in Jesus.

Impact + Inspire + Share

Vision Statement: We are a church that seeks to make an impact within our community, to inspire growth with the truth of Jesus, as we share hope with all generations.

Values:

- Rooted in Biblical truth
- Focused on Jesus
- Joyful in Worship
- Community Minded
- Mercy for the Broken
- Everyone is Loved and Valued
- Intentional Hospitality

The Strategic planning committee used the surveys you and the congregation participated in to help formulate these statements.

All of us will now be working to put action into these statements.

SALT Opportunities

Each family (K-8th) is asked to serve 25 volunteer hours each year. This can also be donated to the school at a rate of \$20/hour.

- Sell [Raffle Tickets](#) in the community on Saturdays in February
- Volunteer to [shovel](#) school sidewalks this winter
- [Help](#) with future Pizza & Italian Soda Fundraiser Days
- Help make [Lutheran Schools Week](#) AMAZING!!
- Ask your child's teacher how you can help

Parents are responsible for recording their SALT hours. The notebook for recording hours is in the school office.

Half of your SALT hours (12.5 hours = \$250) are due by January 31 or will be charged to your TADs account in February. Any unfinished second half of your SALT will be assessed in May and added to your TADs account in June.

Chapel

January 18	Mr. Rehbein
January 25	Pastor Matt
February 1	4th grade
February 8	Mrs. White
February 15	Pastor Matt
February 22	2nd Grade

Offering for January and February will go to philsfriends.org. We have set a goal of making 200 cards for cancer patients.

Pre-K

Mr. Hollady, our childcare director and Mrs. White will be working closely together to be able to offer a seamless full-day of care for Pre-K students.

Please be assured that Mrs. MacGregor's high quality, age appropriate pre-k program will not change. Mrs. MacGregor has grown her program to be something that stands out in the community. Our goal is to have the childcare and pre-k programs compliment each other and work more closely together. One way you will see changes will be in the enrollment and billing process. We want to make this process easier for families.

You can look for new information coming out by enrollment time in March.

STEAM Fair

The STEAM Fair is Friday, January 20th from 8:30-11:30am or you can view after students sing at church on Sunday the 22nd.

View PK-8th grade science and art pieces, including the Middle School Science Fair Projects!

If you have a science background and would be interested in helping judge middle school projects on Friday the 20th, please email Mrs. Elliott at sarahelliott@trinityed.org.

Christmas Cards

Did you receive some beautiful Christmas cards that are now laying on the kitchen counter? Are you wondering what to do with them? We could use them for Adventures in Advent this next December. Just tear off the decorative cover and bring them to the school office.

Nation Lutheran Schools Week

Trinity's entire K-8 will be singing in worship at Trinity on Sunday, January 22nd at the 10:45 service to kick off National Lutheran Schools Week. Students do not need to arrive early, and may sit with families. They will be called up during the middle of the service to sing.

Thank you for helping these kids give back through song to a congregation that blesses our school both financially and spiritually!

A schedule of special events and dress up themes is attached with this email!

Music Department

Dear TLS Families,

I understand the surprise this letter might bring for many people who know me mostly as a music teacher. Moving from 4th grade to the music position three years ago was a giant blessing and opportunity for me. I can say with all sincerity it was a great change. I realize the gifts God has given me in education and music, and it's truly a blessing to have been given the chance to use them again. If I were to continue in education, I see no school other than Trinity to teach at.

With that said, next academic year I'll be taking a step away from education in order to pursue a life-long passion of entrepreneurship. Over the last five years, my reselling business has grown to a point I can't manage both it and the classroom workload. While teaching brings me great joy, I've made the decision to change my focus and make my business my full time work.

Trinity will continue to be our family's church and school home. Erika fully intends to continue in her call as the second grade teacher. I'd like to thank you for the honor and privilege of working with your children the past six years. Please feel free to reach out if there is any other clarification needed, or I can answer any questions.

Blessings,
Tim Rehbein
