Principal's Corner

I'm excited to share that Trinity school families now have access to an extensive, new video library called RightNow Media! It's like the "Netflix of Video Bible Studies" and has a HUGE library of faith-based videos that you can access whenever and wherever you want—on your phone, iPad, computer, or at home on your TV.

As a school, we're always looking for ways to help you develop and strengthen your faith. We believe that RightNow Media will be a tool to serve you as you live out your faith at home, at work and in your neighborhood. RightNow Media has videos for everyone—kids, youth, parents, married couples, college students, single adults, working professionals—all aimed at helping you grow.

This evening, (May 13), you will receive an official invitation email to give you **FREE** access to RightNow Media. If you don't receive it, check your mail filter (because it came from RightNow's system, it may have gotten caught there).

Once you find the email, simply click the link, sign up for an account, and you're all set to explore more than 20,000 videos. We pray that RightNow Media will be a blessing for you and your family!

Our prayer is that you will be blessed by our gift and utilize it for Christian growth in faith, finances, parenting, and so much more!

SALT Opportunities

Each family is asked to give 25 volunteer hours each year. (Half-Day Kinder families serve 12.5 hours.)

Here are a few projects we could use your help with:

- Field Day for 1-8th grade is Friday, May 20 at Legends Field. Lots of volunteers are needed. Please check with your child's teacher. Let the office know if you are able to help and for more information.
- Summer painting which includes some touch up painting on doors in the gym and some cubbies in pre-k.
- Planning a float for the fair parade.
- Summer mowing, including the church and big field.
- We are looking for someone willing to make cubbies similar to the ones in the photo. We will provide the materials, we are just looking for the labor. The cubbies will go in the new kindergarten classroom.

Parents are responsible for recording their SALT hours. The notebook for recording hours is in the school office.

Lemonade Day!

Who doesn't love a lemonade stand. On a hot summer day, kids love having a lemonade stand. Students can learn about profit and loss, how to manage employees (siblings), and make some lasting memories. Please see the lemonade stand attachment. This free program is offered to all students in Kalispell.

Babysitter Training Course

TLS is offering a babysitter training course through Montana health and safety. The course is designed for students ages 9-15 and will be held on May 27 from 12:00 - 4:00. This is an early release day.

The cost for this course is \$45 and you can register at: www.montanahealthandsafety.com. When you click on the link, scroll down until you see Online appointments. There you will see the babysitter class for Trinity Kalispell.

This is a great opportunity for students who may be watching siblings or friends over the summer months.

Fair Parade

Don't you just love a parade? Last August, Trinity had a float in the fair parade and it was so much fun! We would love to be in the parade again but we need your help. Do you have a creative idea? Would you like to brainstorm with other parents? It would be great to get the students involved and get an amazing idea going before school gets out for the summer. This is also a great way to get a jump start on your SALT hours. Contact the school office if you are interested.

Anna graduated from Concordia University in Seward, NE in 2011. She has experience teaching grades 4-8 with an emphasis on language arts. After having taught the middle grades for several years, Anna grew interested in the younger children. She is now pursuing an additional degree in Early Childhood Education.

Anna lives with her husband Chase and their 4 children and 2 dogs in Lincoln, NE. Anna is very relational with her students and their families and believes that educational experiences should capture the excitement in young children.

Get ready for the 2022 Camp Season!

Parents, it is hard to believe students and teachers are on the final stretch of the school year, which means summer break is just around the corner.

What are your outdoor family adventures planned for the summer? Do you have family reunions? Camping spots reserved? Road trips mapped out? Local lakes selected for swimming in? We are blessed to live in a beautiful part of God's creation and with an unending supply of many local activities. I hope your plans include a week or more of summer camp for the kiddos at Trinity Camp.

Trinity is richly blessed to have their own camp ministry on beautiful Flathead Lake. Registration is open (trinitylutherancamp.org) and the staff is busy making preparations for the hundreds of campers to attend camp for a week or more. On May 18, a few of Trinity Camp staff will be leading Chapel.

Check out these blessings for kids who attend camp.
