## Principal's Corner

There are many things that make Trinity unique and special compared with other public or private schools. First and foremost, we are able to share Jesus with our students everyday. We are able to pray with and for our students. This makes the relationships we are able to build all the more meaningful and special.

One of the things that makes Trinity unique and special and also helps to build relationships is home visits. In August, our teachers visit the home of each student. The tradition of home visits in our Lutheran Schools has been around for many, many years. The purpose of the home visit is to begin a relationship between the teacher, student and family. The student often feels more comfortable because the meeting takes place in their home as opposed to at the school. Often, the young students want to proudly show their freshly cleaned bedroom or a favorite toy.

You may be thinking you did your visit before school started at the school and not at your home. This has happened in the past out of convenience to the teacher and the family. Moving forward though we see such value in the teachers going to homes for visits that we are hoping the majority of visits take place in homes.

These visits take a lot of time for the teachers, but the value outweighs the time commitment. It also takes an extra effort on your part which we completely appreciate.

So, when August rolls around and your child's teacher gives you a call to schedule a home visit, please make the effort to find an agreeable time and welcome your child's teacher into your home.

**Thank you!**

Here are some ways you can join in the fun for Teacher's Appreciation Week and bless our TLS Teachers & Staff Members:

- Checkout this [LINK](#) and sign up to bring or purchase some awesome stuff
- Catch a photo with your child and teacher using the custom photo frame
- Write encouraging messages on "The Appreciation Wall" (staff lounge door)
- Grab a bookmark(s) in the office for your child to decorate and give to his/her teacher or favorite TLS staff member
- Bring in unwanted childrens or adult books Wednesday and Thursday to donate to the school book exchange. Then come to the Book Exchange on Friday and find a new treasure to read! (you can pick up any books you donated that didn't find a new home Friday after school or we will be donating them to a local charity)

Feel free to come order a coffee from Glacier Coffee Truck on Wednesday @ 10:30am!

*"Teachers are like a good book, they can change you forever!"*

### Substitute Principal

We are honored to have former TLS principal, Mr. Dave Hobus substituting for Mrs. White, May 7, 8 and 9. Mr. Hobus will bring a wealth of experience, knowledge and humor to Trinity during these days.

Mrs. White will be traveling to Nebraska to bring her daughter Grace back from college.

### Trinity Students are soaring!

Current 8th graders Emmitt D. and Jimmy W., along with alumni Noah E. (class of 2023) were recently accepted into a summer aviation academy hosted by the Montana Department of Transportation. Limited to just 14 spots in the ACE Academy, these aspiring pilots from Trinity will participate in 3 days of workshops, flight time, and career exploration of aviation fields this summer in Helena. Way to soar, Crusaders!

### Dress Code

With the weather getting nicer, the students are wearing their summer clothes.

Please remember:

- Shorts, skirts and dresses need to be finger-tip length.
- Straps on shirts need to be 4 fingers wide.
- When a student lifts their hands over their head, no midriff shows.
