Principal's Corner

What are you thankful and grateful for? The easy and maybe the most common answers include: food, clothing, shelter, family and friends. Like all of you, I am also thankful for all of these things. But, let's dive a little deeper. I am thankful that I was raised in a home where we went to church, worshiped Jesus and prayed together. I am thankful that this foundation of faith was passed to my parents through my grandparents. I am thankful for my daughter who has a humble heart and a servant's attitude and loves Jesus with her whole heart. Generational faith is something to be thankful for. Are you a first generation believer or did those who came before you share with you the love of Jesus?

We have a duty and a calling to share the abundant love of Jesus with our children so they can in turn share it with their children. Now, that's a big calling! This is why I am also thankful for Trinity School and the opportunity we have to partner with you in raising your children to know Jesus!

We are blessed to be at a school where we get to pray with and for your children. We are thankful for Christmas to be focused on Baby Jesus and the best gift of all. We are thankful our students learn to serve others as Jesus did. Our students learn to share the love of Jesus with their neighbors and friends by raking leaves, doing highway cleanup, giving to our offering projects, making cards for church members, giving care packages to first responders, being a bell ringer for Salvation Army, making tie blankets for the Veterans and so many other ways.

We are thankful for the support our families give us in raising followers of Jesus!

Our

We filled and gave away 10 holiday meal baskets for Thanksgiving! Keep bringing items thru December for Christmas meals!

If you are interested or able, please purchase and bring in \$25 gift cards to any local grocery store for turkey/ham purchases.

If you know of a family who could benefit from a basket before Christmas, please email the office!

SALT

Each family (K-8th) is asked to serve 25 volunteer hours each year. This can also be donated to the school at a rate of \$20/hour. Here are some available options for serving to get a jump start on this year:

- [Boys Basketball Concession Stand](#)
- [Lunchroom and Recess Supervision](#)
- [Snow Shovel Duty](#)

Parents are responsible for recording their SALT hours. Please use the app or the notebook in the office for recording hours.

Half of your SALT hours (12.5 hours = \$250) are due by January 17th or will be charged to your TADs account in February. Any unfinished second half of your SALT will be assessed in April and added to your last TADs payment in May.

Tournament Help

Sign up now to help in concessions during the 5th grade Basketball Tournament. Or we have lots of

volunteer positions for gate, scoreboard and clock coming soon!

Daily Learning Log (DLL) Winners!

Each week in chapel all students who completed their DLL for all 5 days will be entered into a drawing. These same students will be entered into a drawing for a larger prize given at the end of the month. So, the more often the student completes their form, the greater their chances are of winning!

This week's winners are: Jory Smith and Levi Kincel.

Spiritwear Available

Follow this [LINK](#) to check out and purchase Trinity Spiritwear! The school does not receive a profit from this other than you or your child proudly wearing your Trinity gear during sporting events and out in the community! There are 4 stores in one: Volleyball, Basketball, Trinity Athletics and All School Spiritwear.

Running Club

Running Club is every Friday, from immediately after school until 4:30pm for 5-8th grade. No prior running experience or Cross Country commitment is required. Runners will need to have the proper gear: running shoes, athletic clothing, water bottle, etc. Like Pep Band, students do not have to commit to the entire school year; if they have sports or another activity for a portion of the year, they can take a break from Running Club and return when the season is over.

Pep Band

Pep Band is every Tuesday, from immediately after school until 4pm for 5-8th grade. Students do not have to commit to the entire school year; if they have sports or another activity for a portion of the year, they can take a break from pep band and return when the season is over.

Sermon Series: Living Our Real Hope

Drawing inspiration in structure from N.T. Wright's book, [Simply Christian](#)(url). *Living our Real Hope explores moving belief to practice*—how the Christian life is lived out in real time. This series explores the essential rhythms of Christian discipleship and how God shapes us through. This week - worship. Worship is more than a weekly habit—it's where heaven meets earth and we're re-centered in God's story.
