Principal's Corner

On the church calendar, we are currently in the season of Lent. Lent is the 40 days leading up to Easter. You have probably heard people talking about what they are "giving up" for lent. Often people give up something they love so they feel a loss or a sacrifice during Lent. This could be chocolate, candy, dessert or a favorite caffeinated beverage.

So why do people give something up during Lent? It is in recognition of the tremendous sacrifice Jesus did for each of us. We give up something meaningful in our life to remind us of the life that was given up for us. Jesus' sacrifice was far greater than a sugary snack or a coffee shop treat. Jesus gave up his life for each one of us. He gave up his life for me. He died on the cross for us because of the unconditional love he has for us. No strings attached, nothing required of us. His death on the cross gives us the assurance of eternal life with him in Heaven.

What an amazing privilege it is for the teachers and staff to be able to share this message of undeniable love with your children.

I wish you God's blessings this Lenten season as we anticipate the celebration of the resurrection on Easter!

Washington DC Trip

And we're off! This Sunday, 28 Trinity students, teachers, and parents will depart for an amazing adventure in Washington DC to learn more about our nation's capital – the people, places, museums, monuments, and memorials that make this place special! On our tour, we will spend six days learning about the faith of our founding fathers and how God's providence established this nation. We begin in the "historic triangle" exploring the earliest permanent settlement in Jamestown before heading to Colonial Williamsburg. As we return into DC, we will pack a lot into our trip, making connections to our curriculum as we go. We can't thank you enough for all your support along the way – purchasing raffle tickets, buying and serving Italian Sodas, and praying for us! We look forward to sharing all about our experiences when we return!
