January 2022

Dear Trinity Families,

We are thankful for you! Thank you for choosing Trinity and for making Christian education a priority for your family. We know many of you sacrifice financially in order for your children to attend Trinity. We like to think of it as an investment in children and not a sacrifice. What a blessing it is to serve alongside you in educating your children. It is a privilege to daily share with them the love of Jesus.

At Trinity we practice **Continuous Enrollment**. Continuous Enrollment means that once a student is enrolled in kindergarten, their enrollment automatically renews each year until they graduate from Trinity Lutheran School, or your family officially withdraws. Continuous enrollment saves you time, reduces paperwork and creates a more seamless process.

This year we are able to do all continuous enrollment online. On March 1st you will receive an email from TADs with a link to follow. This will allow you to check all information stored in Educate for your student, make changes and pay your registration fee. **As a Continuous Enrollment family, you can receive the Early Bird special by following the link and paying your registration fee between March 1st - 7th.** This will give you a discount of \$100 for a total of \$150 per student. If you have a new pre-kindergarten student, you can enroll at this time with a \$50 discount for a total of \$100 per student. (Reminder, there is no tuition payment due in March)

Continuous enrollment is not used for pre-kindergarten students. Pre-kindergarten families who wish to enroll in kindergarten will also be sent an email from TADs with a link to follow to enroll and pay the registration fee with the option of the early bird special.

Please contact Mrs. Heidi Hagemeyer in the Trinity school office (office@trinityed.org or 406-257-6716) by **Wednesday, February 16th** if your family knows you are withdrawing your child(ren) from Trinity for the 2022-2023 school year.

Tuition rates for the 2022-2023 school year are included in this mailing. Tuition agreements will be emailed to you in May. Please electronically sign and set up your account as soon as possible. Adjustments for scholarships and Trinity congregation membership discount will be noted on your tuition agreement. Scholarship applications are due by **April 25 (mytads.com)**. Your first tuition payment will be due on the date you choose in August of 2022 and will be collected through June 2023.

It is our pleasure to continue to serve your family for the 2022-2023 school year.

In Christ's Service,

Laura A. White
Principal
