Church

Trinity Bible Adventure - July 12-14

Sunday morning church at camp - 11:15 each

Sunday. Worship at Trinity church is at 8:00 and 9:30.

SALT Opportunities

Each family is asked to give 25 volunteer hours each year.

Projects completed over the summer will count towards next year's SALT hours unless arrangements have been made with Mrs. White.

Here are a few projects we could use your help with:

- Summer painting which includes some touch up painting on doors in the gym and cubbies in pre-k.
- Planning and implementing a float for the fair parade.
- Summer mowing, including the church and big field.
- Installing legs onto new 2nd grade tables.
- Install a TV in the library.

Parents are responsible for recording their SALT hours. The notebook for recording hours is in the school office.

Lost and Found

Please check the lost and found for items that belong to your family. Items not claimed will be donated in July.

Tables

We have been able to purchase new tables for the 2nd grade class. Because of this, we will be getting rid of the old ones. The table tops could easily be sanded and painted to make them look fresh and new. It could make a great space for art or homework and could work well on a patio or in a playroom. We have 5 rectangle tables and 4 Hexagon tables. The tables will be ready for you to take home on Friday, June 3 for a small \$5.00 donation. Please let the office or Mrs. White know if you are interested.

Blue Polos

If your family has blue Trinity polos that your child has outgrown, please bring them to the office.

Fair Parade

Don't you just love a parade? Last August, Trinity had a float in the fair parade and it was so much fun! We would love to be in the parade again but we need your help. Do you have a creative idea? Would you like to brainstorm with other parents? It would be great to get the students involved and get an amazing idea going before school gets out for the summer. This is also a great way to get a jump start on your SALT hours. Contact the school office if you are interested.

Some Assembly Required

Do you enjoy putting things together and would like to get a jump on next year's SALT hours? We have new tables for the second grade classroom that will need to have the table legs installed. This project is ready to go. The table tops and the legs are here. We just need your help to assemble them. Please contact Mrs. White if you could help with these tables.

We would also like to install a TV on the wall of the library. Is this something you would like to help with sometime before the start of school? Please contact Mrs. White to make arrangements.

Car Show FUNdraiser

Do you have a classic car, hot rod, or other fun vehicle that you would like to show off and support Trinity Lutheran School's upcoming 8th grade class? Consider participating in our inaugural Car Show FUNdraiser, held right here at Trinity on Sunday afternoon, August 7th! We are now accepting registrations for showcase vehicles. All proceeds will support the 8th grade trip to Washington DC in the spring of 2023. Contact Sarah Elliott (sarahelliott@trinityed.org) with questions and/or to receive a registration packet.
