Principal's Corner

I hope it was an incredible spring break for you. While you were taking road trips, going camping or hopping on a flight to someplace warm, we were busy completing some important projects.

Thank you to Valley Tech for their hard work on the installation of new interior and exterior cameras. We were not only able to add exterior cameras but replace the interior cameras and add additional interior cameras to avoid non-visible zones. The view on the new cameras is crystal clear and they give us the ability to view the footage seamlessly. We received a Round up For Safety Grant for a portion of the cost and the remaining amount came from our Auction /

Thank you also to LeRoy Wolf and Access Montana for their work on our phone systems. Each classroom now has a call button to reach the office directly in case of an emergency. This new system will allow callers to reach the church or the childcare without hanging up to call a new number. This will be great for all of our ministries. The new phones are scheduled to be installed after Easter.

The phone system / call buttons and the security cameras are important safety measures.

Take some time to also check out the new paint job in the entryway to the gym. This is just step one of our entryway refresh. Thank you to Gary Hanson and Tru Value Hardware for the grant that included 20 gallons of free paint.

What is a 529 Savings Plan?

A Section 529 qualified tuition program (529 plan) is a tax-advantaged savings program designed to help you save for college. You can use the assets held in your 529 account to pay for your beneficiary's tuition, fees, books, and certain room and board costs, not only in Montana, but at eligible schools anywhere around the country. Funds from a 529 account can be used at eligible two- and four-year schools, trade and technical institutes, and even graduate schools. [You can learn more here:](#)

Hot Lunch

Mrs. Bauer has worked as our hot lunch coordinator for the last 5 years and we are so grateful! She feeds our hungry children, she is able to pivot when her space isn't left orderly, she is flexible when students don't have a lunch or can't find their lunch card and she is good at sharing spaces. And she does all of this with a cheerful attitude! Mrs. Bauer has been a jewel to work with and sadly, she will not be returning as our hot lunch coordinator next year.

We are considering what our hot lunch program will look like for next year. Would you like to be part of this discussion? Do you have some ideas? Would you like to be a hot lunch coordinator? Please contact Mrs. White. She would love to talk with you.

3rd Grade Seder Meal

Today, Mrs. Rehbein and Mrs. Jaques' 3rd grade classes were blessed by being able to participate in a Seder Meal. Thank you to all the volunteers and their teachers for helping with this special meal.

PROGRAM INFORMATION

APPLICATION OPEN FEB. 2 – APRIL 15, 2026

WHO WE ARE
Our vision is that every child has access to a quality education. Since 2012, ACE has provided 11,459 scholarships to children from lower-income families totaling \$24,908,049 and teamed up with approximately 40 partner schools across the state.

WHAT WE DO
Our mission is to advance K-12 educational freedom, with a focus on securing financial support for families so they may access the quality education of their choice.

QUALIFICATIONS FOR STUDENTS
ACE scholarships are based solely on the family's total income both taxable (line 9 on the 1040 for those who file) and nontaxable. See the chart below for ACE Scholarships' financial eligibility breakdown by household size.

Persons in Family/Household	2026 Poverty Guideline	ACE Maximum Qualifying Income: 350%
2	\$21,640	\$75,740
3	\$27,320	\$95,620
4	\$33,000	\$115,500
5	\$38,680	\$135,380
6	\$44,360	\$155,260
7	\$50,040	\$175,140
8	\$55,720	\$195,020
9	\$61,400	\$214,900
10	\$67,080	\$234,780

For families/households with more than 10 persons, add \$5,680 for each additional person.
Figures posted by US Department of Health and Human Services at <https://aspe.hhs.gov/topics/poverty-economic-mobility/poverty-guidelines>

SCHOLARSHIP AWARD AMOUNTS
ACE scholarships are partial tuition, intended to provide the added assistance lower-income families may need to enroll their child in a private school. Standard ACE award amounts are \$3,000 for K-8 and \$4,000 for high school (9-12). Awards are capped at 50% of the school's listed annual tuition. Families are responsible for working out a payment plan with the school for the remainder of the tuition.

Changing Education Changes Everything

PARTICIPATING SCHOOLS
A wide variety of private schools participate in the ACE scholarships program. It is up to the families of potential scholarship recipients to determine the school that is the best fit for their child.

AN ACE SCHOLARSHIP CAN FOLLOW YOUR CHILD
If your child is awarded a scholarship, those funds are portable if transferred before funds are sent to the school and may be used at any ACE partner private school. So, if the private school you select ends up not being the right fit, you can transfer your child to another private school, and the scholarship goes with them.

APPLICATION INSTRUCTIONS

The application for an ACE scholarship is completed online at <https://portal.acescholarships.org/ace>

Families of students provided a scholarship the prior year will be charged a \$10 fee per application whereas applicants who do not have a student receiving a scholarship in the prior year will be charged a \$25 fee.
