Instill Lifelong Learning

This week we joyfully celebrated National Lutheran Schools Week. We are not alone in our celebration; we celebrate with 1,854 other Lutheran Schools nationwide. Our 225 students are part of the 160,000 students who get to hear about Jesus every day in a Lutheran School.

Celebrating Lutheran Schools week is a long standing tradition and one that creates a lot of memories for our students and teachers.

This year's theme is "Make a joyful noise to the Lord, all the earth; break forth into joyous song and sing praises." This theme verse is drawn from Psalm 98:4. How appropriate this theme is, because a school can certainly be a noisy place.

Daily, our students have many opportunities to make a joyful noise. This is expected in band, choir or music class, but it also happens in worship in chapel, on the playground, in the lunchroom, on the basketball court and while completing service projects.

Lutheran education is built on Christ and centers on the Gospel. That means every subject taught, every relationship nurtured and every celebration held has eternal significance.

Let us truly make a joyful noise to the Lord! I pray that the joy that was felt during this week of celebration will be continued this school year. I pray that you are grateful for the opportunities your children have to daily hear the gospel. I am grateful you have trusted us with your children to not only educate them, but to walk alongside you in growing their faith!

## SALT

Each family (K-8th) is asked to serve 25 volunteer hours each year. This can also be donated to the school at a rate of \$20/hour. Here are some available options for serving:

- [Lunchroom and Recess Supervision](#) Jan-May
- [Snow Shovel Duty](#)
- Hang posters around town for *A Night of Comedy!*
- Tighten bolts and screws on the play equipment.
- Paint walls/hallways in the school
- [Pizza / Italian Soda Fundraiser Lunches](#)
- [Girls Basketball Concessions](#)

**Parents are responsible for recording their SALT hours. Please use the app or the notebook in the office for recording hours.**

*The second half of your SALT needs to be written in the SALT book, or sent in via the app by April 17. You are welcome to pre-write any May activities into the book. Any unfinished SALT hours will be added to your last TADs payment in May.*

## New Classes for the 2026-2027 School year

We are so excited to share with you two new classes that will be offered in the fall.

Little Learners - In our Little Learners class, our youngest students will explore the world around them through play, and hands-on learning. Through activities, stories, songs, and prayer, Little Learners will be introduced to Jesus and His love for them. This class will ignite curiosity and a love of learning. Little Learners is for children who are 3 years old by September 10 and potty trained. The class will be Tuesday and Thursday mornings.

Jr. Kindergarten - For some students, the step between pre-kindergarten into kindergarten can be a big leap. Jr. Kindergarten offers a nice in-between step. This class will be 5 half days and will be offered in the afternoons. Additional pre-reading and math skills will be offered as well as kindergarten preparedness. The student's faith will grow as Jesus is integrated into all their learning.

Look for more information on both of these classes coming soon.

## ACE Scholarship Renewal/Application

The 2026-2027 student application for new and returning students will open on **Monday, February 2nd, 2026**. Applications will close on tax day, April 15th, at 11:59pm in the time zone of the school. Detailed information including updated income eligibility guidelines will be provided in late January. Additionally, important information for parents can be found in our [help center](#).

### Gym Entryway Update

Thank you to Valerie Harris for offering her guidance on the gym entryway update.

Are you good at woodworking and building and would like to work off some SALT hours? We would like a couple of benches and a bar height workstation for both the gym entryway and the office.

If you have completed your SALT hours, we could also negotiate a fair prize to pay for your services. Please contact Mrs. White if you are interested.

### Painters

Does anyone have an interest in bidding on a painting project at the school? This could be for SALT and payment. The areas we are looking at having painted are the hallways, the school office and the entryway by the gym.

Please contact Mrs. White if you have an interest.

### Alumni Scholarship

Do you know a student graduating from high school who is also Trinity Alumni? Trinity offers a scholarship to high school graduates who are pursuing higher education. The scholarship application is available on our website under the "more" tab.

### Spiritwear Available

Follow this [LINK](#) to check out and purchase Trinity Spiritwear! The school does not receive a profit from this other than you or your child proudly wearing your Trinity gear during sporting events and out in the community! There are 4 stores in one: Volleyball, Basketball, Trinity Athletics and All School Spiritwear.
